perished from the earth, surely the present boldly avowed scheme, not only to continue, but to increase these cylis will not be boldly avowed scheme, not only to continue, but to increase these evils will not be permitted. In addition to this purpose of more thoroughly establishing the gold standard, the plan of the administration is to retire the puper manay of the governto retire the paper money of the govern-ment, to issue gold bonds and to increase the power, privileges and profits of the National banks.

The retirement of the government pape The retirement of the government paper money must reduce the volume of circuiation, and while the secretary admits that the contraction of the currency would be more ruinous in two years than laterest on the like amount of bonds for forty years would be, he calmly informs us that the National banks will probably issue antificient amount of money to provent sufficient amount of money to prevent

this enormous suffering.

The National banks are not to be required to redeem their notes in gold, but it is arranged that the United States government shall do so on semand; after having done so, the government must be content to have the National banks reimburse if in any kind of legal tender money at the op-

We are frankly told that lawful money we are trankly told that lawful money will be made "relatively scarcer than it Is now," and that it is intended that under the operation of the bill it "will be easier to get gold than the lawful money."

Practically all of the money in the hands of the people now, as the secretary distinctly admits is silver, chiefly in the form of silver certificates. The avowed purpose of the bill is to make it hereafter more difficult to get these than gold. The mon-etary commission, selected by the executive committee of a self-constituted Indianap-olis convention which assembled for the difficult to get these than gold. express purpose of establishing he gold standard, have also made a report and promulgated a bill, the provisions of which are so strikingly like the propositions of the recretary of the treasury, in all material particulars, as to suggest that they were empassed, and bartwonized before were compared and barmonized before either was given to the public. This report and bill are somewhat more bold in the and our are somewhat more bold in the assertions of the purposes entertained than is even the proposition of Mr. Gago. These distinctly propose that silver dollars shall not hereafter be coined. That standard silver dollars shall be redeemed in gold that the rilver bullion on band at present shall be sold, and suggests that silver dollars may also be sold, and suggests that silver dollars may also be sold, and suggests that silver dollars may also be sold. lars may also be melted down and sold as builton. We are assured that the notes of the banks "can not fail to be safe because

whole business of the country."

Certainly no bank will become liable for stitution our patriotic the notes issued by another bank over which zealous care and with prophetic wisdom, that no control or supervision thence this provided that commerce should be reguscheme must contemplate the establishment stated by congress, but this tremendous money—a great mank trust, rool or syndi-cate, with powers which no man has ever had the audacity to suggest. The commithad the audacity to suggest. The commit-tee has called upon commercial bodies all over the country to assemble and indorse their report. Thus the people are put upon full notice of what is intended and of the

means of its accomplishment.

Considering all this, is it any wonder that
the Spectator, one of the creat English
newspapers, should say, as it did rome

acy, however, deprived one of them the money functions. This was done in the deliberate purpose of raising the set of the other by rendering the suphands over the colleges, which it is easy

growth of arts and civilization and the growth of arts and civilization and the parently their intention is first, to convert the United States into a powerful olicarchy

d is felt, its scarcity is emphasized, its be increased.

The depression of life and happiness, its inseparable from a long course declining prices, has now checked despend of the continued. Will ultisely stifle civilization. An eminent crican, President Andrews, of Brown in the continued of the public. The divine right of kings is to be succeeded by the divine right of the continued of the public. The divine right of the public of the continued of the public of the public of the continued of the public of the continued of the public of the public of the divine right of the public of the continued of the public of the continued of the public of the continued of the public of the public of the continued of the public of the continued of the public of the continued of the continued of the public of the continued of the public of the continued of millionaires who are to run everything, including the American senate and the conscience and intellect of university pro-

fessors.

It is none of our duty to say how the American people shall deal with the portentous growth of that money power which overshadows the institution of the republic, but we think that the rich men of America are revealing such a deadly plot against all genuine public freedom that unless we are mistaken the opening years of the new century will witness an culburst in the West which will amaze the

influence, give aid or encouragement to the republican party.

The issue is joined, we can not avoid it if we would. Either the friends of bimetallism or the advocates of the gold standard, trusts and monopolles must succeed. Who is not for us is against us. We are asking no man to abandon his party or change his politics; we ask no one to yield any principle, but in this great contest we do appeal to all good men to stand solidly tgether for tiberty and humanity and strike down forever this conspiracy of gold and monopoly.

THE POPULIST ADDRESS.

The conspiracy of gold and menopoly is nearing its culmination. Every sdyance

Washington, February 15.—The addresses on behalf of the democratic, populist and silver republican parties, which are the result of the conferences which have been in progress among the leaders of these parties at the capitol for the past few weeks, were issued today. They seek to unite the members of the three parties in future elections upon the financial issue as the question of paramount ipmorrtance and are sending appeals to each of the parties to consolidate all allong

The address to the democrats is signed by Senator James K. Jones of Arkansas, chairman of the democratic National committee, and is indorsed by the democratic congressional committee; that to the populists by Senator Marion Butler, chairman of the populist National committee and the twenty-five populist members of the senate and bouse, and that of the silver republicans by Chairman Towns and the silver republicans in the senate and house, and also by ex-Senator

> if it had not had its agents and confede-rates boiding positions of public trust in the legislative, executive and judicial branches of the government. Neither the beneficiarles nor the tools of this con-spiracy have any particular politics. In name the last administration was democratic. The present administration is called republican, but it has ingloriously practiced and defended the policies of its most overthrown—a government of the people, by the people and for the people, by the people and for the people, and Twenty-five Senators and Representatives of the Popullst Party.

At length the selfish and brutal interests behind this conspiracy deem themselves strong enough to dispense with the caution | and duplicity hitherto necessary to their success. The administration boldly avews its indorsement of their scheme against the liberty and prosperity of the people. Within a few weeks it has formulated and sent | sovereignly of the people for generations to congress a hill, the leading purpose of The policy of the republican administration which is, in the words of the secretary of is a plain confession that the secret authorthe treasury, "to commit the country more | ities of the St. Louis platform of 1896 are thoroughly to the gold standard."

This country has during the past twentyfour years suffered from the blighting effects of the gold standard, so far as fraudulent legislation and executive usurpation have been able to establish it. boldiy proposed to legalize what has been done in defiance of law and to use the power secured by false pretenses from a long suffering and too trustful people to hitherto been the necessary prediminaries put upon this intamous design the stamp of alleged popular authorization.

In the pursuit of this purpose of commit

ting the country more thoroughly to the gold standard the plan of this administraion as of the last, is to retire the greenbacks and other non-interest bearing on the powers, privileges and profits of Na tional banks. This achievement would turn over the duty of supplying the peo-ple's money, the very lifeblood of busi-ness, to a selfish, heartless and irresponsiness, to a selfish, heartless and irrespond-ble foreign gold syndicate and its American ble foreign gold syndicate and its American agents and allies. It must be remembered also that this foreign gold syndicate and the banks "can not fail to be safe because its allies have, with the connivance if not being based on all the resources of all the the assistance, of our government, captured banks training these than the connivance of the connection of the conne merce in the Nation. In framing the con-stitution our patriotic forefathers, with power has been abrogated by congress in favor of the gold trust, and the banking ring. Money is the first great instrument of commerce, but the gold ring, not satisfied with controlling our financial system, has captured the other instruments of commerce to enable it to keep the gold confinerce to Phable It is seen the gold standard yoke upon our needs and to "more thoroughly subjugate our people and deminate our government." All history teaches that those who have controlled the instruments of commerce in any country newspapers, should say, as it did rome months since:
"Being audicious beyond any old world experience, the great capitalists of America appeters and the great capitalists of America gold syndicate and its allied monopolius in our country having seized the great struments of commerce, have used

tremendous power to discriminate against sections and individuals to destroy compe-tition, to breed business stagnation and to create "hard times" in the midst of plenty. Thus the organization and main-"Thus their design is to prevent any effective action which shall in any way weaken their authority or undermine their position. Their object can not be more wealth making, for they already enjoy wealth beyond the drams of avarice. Are well to drams of avarice wealth making. millionaires. The inevitable result must be to convert our government into an oligarchy of sordid wealth.

In the accomplishment of this end these evil influences must shackle opinion and muzzle discussion. They not only subsidize
the press and attempt to steal their well
usid attorneys in our legislative halls, on
our benches of justice and in all other detartments of government, but wherever
college faculties are susceptible to pretended generosity or invested philanthropy,
they carefully maneuver for either service
or silence.

The divine right of kings is to be succeeded by the divine right of millionaires. muzzle discussion. They not only subsidize

ceeded by the divine right of millionaires, who propose to run everything, not only the instruments of commerce and our industrial system, but also, as far as possible, the pen of the editor and the voice. If not the intellect, of the university professor. Having succeeded in this, the constrators will not only completely dominate the legislative, executive and judicial branches of our government, but will be solidly entrenched against retrenchment and retribution.

and retribution.

Briefly stated, this is a part of the outrageous scheme. We do not arraign any political party on partisan grounds; we ar-
